

The National Winners from 177 countries 2017

هجدهمین دوره مراسم جهانی انرژی با تمرکز "آب"

۲۵ و ۲۶ دی ماه ۱۳۹۶

تهران - سالن اجلاس سران

لیست ۱۷۷ کشور عضو بنیاد جهانی انرژی به همراه عناوین پروژه‌های سبز سال ۲۰۱۷ آنان که نشان (Energy Globe National Award) را در تهران از بنیاد جهانی انرژی دریافت خواهند نمود.

(The National Winners from 177 countries 2017)

NO	Country	Project Title
1	Afghanistan	Reforestation Of Degraded Watershed And Establishment Of Fruit Orchards
2	Albania	Natural Water Management - Shkumbini River
3	Algeria	Office For Sustainable Development
4	Angola	Palankinha School
5	Antigua and Barbuda	Solar Energy And Innovation For Development
6	Argentina	Metrobus 9 De Julio And Microcentro Pedestrian Area
7	Armenia	Connecting Students With Their Environmental Heritage
8	Australia	Aquatic Centre Retrofit Of Hybrid Ground Heat Exchanger
9	Austria	Eco Energy From Side Streams Of Cellulose Production
10	Azerbaijan	Cleaning And Rehabilitation Of Contaminated Lands
11	Bangladesh	Water Sanitation And Hygiene (WASH) Program
12	Barbados	Barbados Youth Corps
13	Belarus	School Management "Energy And Resource Saving
14	Belgium	Propeller Buffing
15	Belize	Mobile Biogas Laboratory
16	Benin	Environment Protection And Climate Change Mitigation
17	Bolivia, Plurinational State of	Recycling For A New Environment
18	Bonaire	Bonaire Junior Ranger Expansion
19	Bosnia and Herzegovina	Let's Do It - Volunteer Initiative
20	Botswana	Climateshape-Greening The Duke Of Africa
21	Brazil	Zero Waste

The National Winners from 177 countries 2017

22	Bulgaria	Take Me In Your Village
23	Burkina faso	Natural Fertilisers From Water Hyacinths And Organic Waste
24	Burundi	Fighting Deforestation & Introducing Cooking Facilities
25	Cambodia	Plastic Free Cambodia
26	Cameroon	Sustainable Agriculture
27	Canada	Net Zero Housing Development
28	Cape verde	Serrado Solar Water Pumping
29	Chad	Land Recovery For The Benefit Of Women Deminus Climate Change
30	Chile	Raising Environmental Awareness Through Reforestation
31	China	Lowering Store Mass C02, Growing Soil, Soil-Carbon In Deserts
32	Cocos (keeling) islands	Children Recycling Project
33	Colombia	Green Filter - Innovative Constructed Wetlands
34	Comoros	Energy Saving Distillation Unit
35	Congo	Eco Tourism At Odzala-Kokoua National Park
36	Congo, The Democratic Republic of the	Building Local Capacity For Stove Design And Testing
37	Cook islands	Improvement In Waste Management
38	Costa rica	Heroes Solares (Solar Heroes
39	Cote d'ivoire	Alama's Garden
40	Croatia	Wasatex
41	Cuba	Biomass As Renewable Energy Source
42	Cyprus	Shelter For Unaccompanied Minors
43	Czech republic	Approaches To The Environment In Hanovice
44	Denmark	Cycle Highways In Denmark's Capital Region
45	Dominican republic	Community Micro Hydropower Generation
46	Ecuador	Galapagos San Cristobal Island Wind Project
47	Egypt	Improving Environmental Conditions In Ezbet El-Nasr
48	Ei salvador	Ecocina Cookstoves Ei Salvador
49	Eritrea	Efficient And Improved Stove
50	Estonia	Energy Consumer Awareness
51	Ethiopia	Clean Energy Promotion
52	Fiji	Solar Relief
53	Finland	Global Internet Of Energy
54	France	Sabella D10 Tidal Project
55	Gabon	Learning How To Protect Our Environment
56	Gambia	Sustainable Actions For A Green Economy
57	Georgia	Energy Efficiency For Tbilisi Elders Boarding House
58	Germany	Virtual Power Plant Next Pool
59	Ghana	Improve Environmental Awareness
60	Greece	Sustainable Development Of The Grevena Hospital
61	Grenada	Grenada And The (Solar-Powered) Chocolate Factory
62	Guatemala	Centro Educativo Tecnico Chixot
63	Guinea	Recycling And Transformation Of Plastic Wastes

The National Winners from 177 countries 2017

64	Guinea-bissau	Increasing Access To Safe Water And Sanitation Facilities
65	Guyana	Kanuku Green Farms
66	Haiti	Agricultural And Environmental Solution
67	Holy see (vatican city state)	Vatican Solar Projects
68	Honduras	Sustainable Energy Access Fund For Poverty Alleviation
69	Hong kong	Global Alert Trash Hotspots
70	Hungary	Sustainable Development At L1DL
71	Iceland	The Resource Park
72	India	Phoolna
73	Indonesia	Safe, Low Cost, Energy Saving Water Filters
74	Iran, Islamic Republic of	Upgrade Of Tailings Disposal & Water Management System
75	Iraq	Waterkeepers Youtube Environmental Education Channel
76	Ireland	Development Of A Construction-Phase Resource Efficiency Toolkit
77	Italy	First Certified Passivhaus Hotel In Italy
78	Jamaica	Recycling Manufacturing For Climate Resilience
79	Japan	Agar Plasticity
80	Jordan	Solar Process Steam Generation For RAM Pharma In Jordan
81	Kazakhstan	Native Priirtshe (Environmental Volunteering
82	Kenya	Solar Provided Milk Cooling System
83	Korea, Democratic People's Republic of	Airport, Dream Of Green (Green Campaign
84	Korea, Republic of	Eco-Friendly Green Airport Project
85	Kosovo	Solar Pv Farm 100 Kw
86	Kuwait	Improvement Of Indoor Air Quality And Health Condition In Labs
87	Kyrgyzstan	Media Project "Aiyl Demi
88	Lao people's democratic republic	Sae Lao Project
89	Latvia	Campaign" My Sea
90	Lebanon	Solid Waste Management
91	Lesotho	Improvement Of Water Collection Infrastructure
92	Liberia	Sustainable Farm System In Jungle Farm
93	Liechtenstein	Youth Alpine Express
94	Lithuania	Education For Sustainable Industrial Development
95	Luxembourg	The First Public Plus-Energy-Building
96	Macedonia	Naphtha Waste Water Treatment Plant
97	Madagascar	Bricks And Improved Stove From Ceramic And Porcelain Wastes
98	Malawi	Creative Distribution And Innovation Brings Solar Lights To East Africa's Poor
99	Malaysia	Building Climate Resilience
100	Maldives	Dhiffushi Solar Ice Project
101	Mali	Clean Energy For The Secondary School In San
102	Malta	Energy Efficiency In Low-Income Housing
103	Mauritania	Combating Desertification And Food Insecurity
104	Mauritius	Developing And Implementing Organic Farming
105	Mexico	Ecocasa

The National Winners from 177 countries 2017

106	Moldova, Republic of	Reducing Heat Energy Losses Of Exhaust Gases
107	Monaco	Monacology
108	Mongolia	Wilderness Conservation Holiday Adventure Expedition
109	Morocco	Zero-Energy Refrigerator
110	Mozambique	Nuarro Lodge
111	Myanmar	Improving Livelihood And Sustainable Natural Resources Management
112	Nepal	How Can Farmers Become Teachers
113	Netherlands	E-Waste Race
114	New zealand	The Flagship Education Centre
115	Nicaragua	Youth Solar Technicians Education Program
116	Niger	Tele6irrigation
117	Nigeria	Poultry Waste To Electricity And Organic Fertilizer
118	Norway	Bossett In Bergen
119	Oman	Heal The World
120	Pakistan	Renewable Energy In Remote Areas
121	Palestine, State of	Solar Assisted Anaerobic Digester For Biogas Production
122	Panama	Plastic Bottle Village
123	Papua new guinea	Free Trees Program - Papua New Guinea
124	Paraguay	Energy Efficiency For All
125	Peru	Permaculture, Inter-Cultural Education And Eco-Tourism
126	Philippines	Rainforestation Organizations And Advocates
127	Poland	Technology Of Mechanical- Heat Treatment (MHT) And Recycling
128	Portugal	Lipor Gerac;Ao
129	Puerto rico	Sustainable Forestry & Rainforest Enrichment
130	Qatar	Raising Environmental Awareness Through Reforestation
131	Romania	Zero Waste School And Keep Danube Clean! - Bike Tour
132	Russian federation	System For Electricity & Hydrogen Production
133	Rwanda	Energy Efficient Cookstoves
134	Saint Vincent and the Grenadines	Treelympics
135	Samoa	Coral Farming As A Village Based Industry
136	Saudi arabia	Flare Gas Recovery Project
137	Senegal	Switching Africa To LED Lighting
138	Serbia	EMAS As A Reality In Serbia
139	Seychelles	Reduction Of Bottled Water Consumption
140	Sierra leone	Sustaining Equipment For Low Income Farmers
141	Singapore	Floating Wetlands And Freshwater-Tolerant Mangroves
142	Slovakia	Manage And Planning Use Of Domestic Energy
143	Slovenia	Volunteers' Center Istra
144	Solomon islands	River Watershed Conservation Initiative
145	Somalia	School And Faculty Of Agriculture Somalia
146	South africa	Green Acre Living
147	South sudan	Water And Sanitation

The National Winners from 177 countries 2017

148	Spain	Inflatable Solar Collectors Made Of Plastic
149	Sri lanka	Puritas Sath Diyawara
150	Sudan	Solar Energy As Darfurs Solution
151	Swaziland	Environmental Protection And Recycling
152	Sweden	Real-Time Quality Control Of Reclaimed Water And Removing Of Drug Residues
153	Switzerland	Energy And Climate Pioneers
154	Syrian arab republic	Solar Energy For Idps
155	Taiwan	Recycle To Recycle (R2R)
156	Tajikistan	New Heating And Cooking Technologies
157	Tanzania, United Republic of	Solar/Computer Lab-Phase
158	Thailand	Win-Win With Biochar
159	Timor-leste	Alternative Energy For An Entire Island State
160	Togo	Youth Involvement In Conservation Of Environment
161	Trinidad and Tobago	Climate Change Champions Network
162	Tunisia	Sustainable Cities - Vertical Gardens And Green Walls
163	Turkey	Sludge Disposal And Energy Recovery Plant
164	Turkmenistan	Sustainable Development Of Settlement In Karakum Desert
165	Uganda	Access To Affordable Cooking Energy
166	Ukraine	Battery Recycling System
167	United arab emirates	Saving Our Mangroves
168	United kingdom	2050 Climate Groups Young Leaders Development Program
169	United states	Global Paint For Charity
170	Uruguay	Knowledge For Life - The Power Of Stories
171	Uzbekistan	Ecosystem Stability Of Degraded Land In Desert Areas
172	Vanuatu	Clean, Affordable Energy For Businesses
173	Viet nam	Husk Firewood And Biomass Stove
174	Virgin islands, u.s.	Sisterhood Empowerment Academy
175	Yemen	Integrated Livelihood, Water, Sanitation And Hygiene Program
176	Zambia	Matero Energy Initiative
177	Zimbabwe	Water Harvesting For Raising The Water Table
